About the Exhibition

International Fastener Expo brings together the entire fastener and fixing technology ecosystem under one roof, including manufacturers, distributors, machinery suppliers, tooling companies, OEM buyers, engineers, procurement professionals, and industry decision-makers.

The exhibition offers a comprehensive platform for showcasing products, exploring new technologies, identifying suppliers, and establishing international business partnerships. Each year, the exhibition attracts thousands of trade visitors and buyers from over 30 countries, making it one of the most important sourcing and networking platforms for the global fastener industry.

Highlights of International Fastner Expo 2025, Las Vegas, Nevada

- Over 850 exhibitors
- 5,000 trade visitors and industry professionals from more than 30 countries
- More than 2,500 qualified buyers attended the show

Participation at IFE 2026 offers Indian companies an excellent opportunity to:

- Showcase India's manufacturing capabilities before North American and global buyers.
- Expand exports of industrial fasteners, hardware, and engineering products.
- Develop distributor and importer networks in the USA and Canada.
- Explore OEM sourcing opportunities.
- Understand emerging trends in fastening technologies and manufacturing.
- Strengthen India's presence in the global industrial supply chain.
- Identify technology partners and investment opportunities.
