About the Exhibition

The International Engineering Fair (MSV) is the premier industrial trade fair in Central Europe and one of the most influential engineering and manufacturing exhibitions in Europe. Organized annually by Veletrhy Brno, the event serves as a major platform for industrial technologies, machinery, automation, manufacturing solutions, and engineering innovations.

Why Participate?

MSV is regarded as the most important industrial exhibition in Central and Eastern Europe, attracting decision-makers, technology buyers, distributors, manufacturers, OEMs and industrial solution providers from across Europe and beyond. More than 70–80% of visitors are involved in investment and purchasing decisions, making it a highly business-oriented exhibition. Participate in MSV 2026 and explore business opportunities across the Czech Republic, Germany, Austria, Slovakia, Hungary and the wider European Union market.

Key Advantages

- ▶ Gateway to Central and Eastern European markets
- ▶ Strong participation from manufacturing, automotive, machinery and engineering sectors
- ▶ Excellent platform for technology transfer and industrial partnerships
- ▶ Opportunity to meet OEMs, distributors and sourcing companies
- ▶ Access to Czech Republic, Germany, Slovakia, Austria, Hungary and wider EU markets

Key Themes of 67th MSV 2026

The exhibition will continue to focus on emerging industrial trends including:

- ▶ Industry 4.0
- ▶ Smart Manufacturing
- ▶ Digital Factory
- ▶ Artificial Intelligence in Production
- ▶ Industrial Automation
- ▶ Robotics
- ▶ Circular Economy
- ▶ Sustainable Manufacturing
- ▶ Resource Efficiency
- ▶ Green Industrial Technologies

Highlights of MSV 2025
