### About the Exhibition

Ghana, the western gateway into the Africa market, provides an exclusive opportunity to explore new territories and multiply trade activities in the African region. Africa Build Show (ABS), will serve as an ideal B2B platform to meet and network with global companies and fellow professionals and to discuss the latest market trends, cutting-edge technologies and much more. At the focal point of a lucrative multibillion-dollar construction market, Africa Build Show represents the ideal platform for global construction suppliers who are keen on increasing their footprint in Africa by covering the entire value chain from project inception to completion.

MEGAWATT 2026, The International Power Generation, Lighting and Renewable Energy Exhibition will be held concurrently with Africa Build Show (ABS). The show will serve as your gateway to the thriving West African market and will bring together global manufacturers, traders and suppliers of power generation, lighting and renewable energy who are keen on increasing their footprint in Africa. ABS, Megawatt will serve as an ideal B2B platform that will bring global & local investors and key stakeholders under the patronage of the Ghana Government, delivering valuable investment opportunities and rewarding business partnerships.

The previous edition of the Africa Build & Megawatt 2025, Ghana which attracted over 3000 business visitors, around 80 exhibitors and delivered more than 200 high impact B2B meetings; the 2026 show will feature 1800 exhibitors with 50000 buyers.
