About the Exhibition

Automechanika Dubai is recognized as the largest international trade exhibition for the automotive aftermarket industry in the Middle East, Africa and adjoining markets, serving as a strategic gateway to the GCC, Middle East, Africa, Central Asia and CIS regions. The exhibition offers unparalleled opportunities for manufacturers, exporters, distributors and service providers to connect with key buyers, importers, wholesalers, fleet operators and industry decision-makers from across the globe.

Automechanika Dubai covers the entire automotive aftermarket value chain and has established itself as the premier sourcing, networking and business development platform for the automotive industry across the Middle East and Africa. The exhibition attracts automotive parts manufacturers, distributors, dealers, garage owners, fleet operators, retailers, importers, exporters and procurement professionals seeking innovative products and solutions.

The show is particularly relevant for Indian manufacturers seeking to expand exports to:

- GCC Countries
- Central Asia
- Middle East
- CIS Countries
- Africa
- South Asia

Dubai's strategic geographic location and logistics connectivity make it an ideal business hub for companies targeting these high-growth markets.
