and enjoy substantial savings!*

About the Exhibition

Warsaw Tools & Hardware Show 2026 is the 6th edition of the International Trade Fair for Tools and Finishing Works, scheduled from 03 - 05 November 2026 at Ptak Warsaw Expo, Nadarzyn, Warsaw. The exhibition is positioned as a specialised B2B platform connecting manufacturers, distributors, importers, professional users and industry decision-makers from the tools, hardware, construction and finishing sectors. Poland is one of the largest and fastest-growing economies in Central and Eastern Europe and serves as an important manufacturing, logistics and distribution hub for the European market.

The show covers professional tools, power tools, workshop equipment, fastening systems, abrasives, measuring equipment, welding and related products, providing Indian manufacturers an opportunity to establish distribution partnerships and access the Polish and wider Central & Eastern European market.

For Indian Engineering Exporters, Poland Offers:

- Access to a sizeable domestic industrial and construction market.
- A strategic location for distribution into Central and Eastern Europe.
- Strong manufacturing and industrial ecosystems.
- Growing infrastructure and construction activity.
- Demand for competitive machinery, tools, components and industrial products.
- A market where Indian engineering products can increasingly compete on quality, technology and value.
- An established India–Poland economic relationship with substantial scope for diversification.

Why Participate?

Access Poland – Connect with Central Europe

- 9,241 visitors from 32+ countries at the 2025 edition
- Strong participation from Polish professional buyers and distributors
- Direct access to tools, hardware, construction and industrial sectors
- Concurrent Warsaw Industry Week and Construction Machinery Exhibition
- Opportunity to meet importers, distributors, contractors and industrial users
- Growing India–Poland bilateral trade, reaching US\$6.36 billion in 2025
- Scope to expand India's engineering exports in tools, machinery, hardware, electrical equipment and construction-related products
- Warsaw's strategic location provides a platform for wider Central & Eastern European market access

Warsaw Tools & Hardware Show 2026 provides Indian engineering manufacturers and exporters with a focused platform to enter and expand in the Polish and Central European markets. The event brings together manufacturers, distributors, contractors, professional users and buyers across the tools, hardware, construction and finishing industries.
